SAI DARBAR MOTAR TRAINING SCHOOL

Frequently Asked Questions (FAQ)

Version 1.0 | Updated November 2026 | Audience: Students and parents

Government-authorised (RTO-recognised) motor driving school, working since 2012-13.

How to use this FAQ

Answers to the most common questions from students and parents. For official government information, always check sarathi.parivahan.gov.in or the RTO. For fees, timings and rules of the school, see the School Policy or ask the office. Office contact: phone / WhatsApp 8677097777, email guruzirpe@gmail.com.

A. About the school

Is the school government-authorised?

Yes. Sai Darbar Motar Training School is a government-authorised (RTO-recognised) motor driving school, working since 2012-13. Under rule 24 of the Central Motor Vehicles Rules, 1989, a driving school must hold a licence in Form 11 from the licensing authority (RTO). The original licence is displayed in the school office, and you may ask to see it.

Does the school give a certificate?

Yes. A student who completes the course gets the driving school certificate in Form 5 (rule 27(d)). You attach it to your driving licence application where it applies.

B. Admission and fees

Who can join the driving school?

Anyone who meets the legal age for the vehicle class: 16 for a motorcycle up to 50 cc (with guardian consent), and 18 for a motorcycle with gear or a car. Students under 18 need a parent or guardian to sign.

What documents do I need for admission?

Proof of age, proof of address, recent passport-size photographs, a working mobile number and an email address. The documents must show the same name and date of birth. Staff will check the originals.

How much is the fee, and what does it include?

The total fee, the package and the inclusions are given to you in writing before you pay. Please check whether the government fees (learner licence, test, licence issue) are included or charged separately, as written in your enrolment form.

Can I pay in instalments?

Only if the school has agreed to instalments in writing. The due dates are shown on your receipt. Always collect a receipt for every payment.

Can I get a refund if I cancel?

Refunds follow the School Policy (section 5). In general, government fees already paid to the RTO are not refundable by the school. Ask the office for the exact amount in your case.

C. Learner licence

What is a learner licence, and how long is it valid?

It is the first licence, which lets you practise driving with a licensed driver sitting next to you. It is valid for 6 months from the date of issue.

How do I apply for a learner licence?

Apply on the Sarathi Parivahan portal (sarathi.parivahan.gov.in), select Maharashtra, enter your details, upload documents, pay the fee, and book and pass the computer-based test on traffic rules and signs. The school staff will help you.

What is in the learner licence test?

A computer-based test on traffic rules, road signs and safe driving. Under CMVR rule 11(1-A) you must answer at least 60 per cent of the questions correctly. MoRTH has published a draft in October 2026 proposing a higher pass mark, but it applies only once notified, so check the test instructions on the portal. Practise with the free tests in the customer app.

What if I fail the learner licence test?

You can take it again by paying the re-test fee as per RTO rules. Practise more with the app and read the Traffic Rules guide.

Can I drive alone on a learner licence?

No. A person with a valid licence for that vehicle class must accompany you and sit where he or she can control or stop the vehicle, and the 'L' sign must be displayed on the vehicle.

D. Waiting period and training

Why must I wait 30 days after getting the learner licence?

Under CMVR rule 15 you cannot appear for the driving test unless you have held a learner licence for at least 30 days. The school's system shows the countdown and tells you when you are eligible.

What do I do during the waiting period?

Attend your practice sessions and study the traffic rules. This is the best time to build your driving skills and confidence.

How long is the training, and how many sessions are there?

The course follows the syllabus in rule 31 of the Central Motor Vehicles Rules. For non-transport vehicles the training period is not less than 21 days and the actual driving hours are not less than 10 hours. The session length and the number of sessions are given in your package. Ask the office for your own schedule.

What if I miss a session?

Please inform the school before the session, within the notice period stated in your enrolment form. Late cancellation or no-show may count as a completed session, as given in the School Policy. Ask the office to reschedule.

Can I ask for a female instructor?

Yes. The school will try to arrange one, subject to availability.

What should I bring and wear for training?

Bring your learner licence. Wear comfortable closed footwear. Do not use your phone while driving.

E. Driving test and permanent licence

When can I apply for the permanent licence?

After 30 days from the learner licence issue date and before the learner licence expires (6 months). Do not wait until the last week.

Who books my driving test?

The test slot is booked through the official Sarathi and RTO process. The school helps you with the application and the booking, and enters the date in its system so that you get reminders. The school never asks for your portal password or OTP.

What is in the driving test?

Under CMVR rule 15(3) it checks vehicle control and road behaviour, such as adjusting the mirror, starting, gear changing, hill start, turning, overtaking, signalling, lane change, reversing and turning the vehicle around. The exact tests vary by RTO. The school trains you for these.

What should I carry on the test day?

Your learner licence, original ID and address documents, the application or slot receipt, and photographs if asked. Reach the RTO early.

What if I fail the driving test?

You can take it again by paying the re-test fee. The school's default plan is to allow a 7-day gap, subject to the RTO's rules. Make sure your learner licence is still valid on the new date.

Can the school guarantee that I will pass or that I will get the licence on a given date?

No. The RTO decides the test result and issues the licence. The school prepares you well and handles the paperwork, but it cannot guarantee a result or a date.

Can I get a licence without taking the driving test?

The driving test at the RTO is required unless you hold a Form 5B certificate from an Accredited Driver Training Centre (ADTC). A normal driving school gives a Form 5 certificate, which does not exempt you from the test. Unless the school tells you otherwise in writing, plan to take the test at the RTO.

How long does it take to get the licence after I pass?

After a pass, the RTO processes the licence. The school's plan allows about 5 days for approval, and then the licence details are entered. The smart card is posted to your address, and a digital copy is available on DigiLocker or mParivahan. Delivery time varies.

F. After you get your licence

How long is the permanent licence valid?

For a private (non-transport) licence it depends on your age when it is issued or renewed (Section 14 of the Motor Vehicles Act): below 30 years, until you reach age 40; 30 to below 50 years, 10 years; 50 to below 55 years, until you reach age 60; 55 years or more, 5 years. Transport licences are valid for 5 years. Always check the expiry date printed on your licence.

How do I renew my licence?

Apply on the Sarathi portal. You can apply from 1 year before expiry up to 1 year after expiry; after that you must pass the driving test again. A medical certificate (Form 1A) is needed if you have reached 40 years of age, and for transport vehicles. Late renewal after the grace period attracts a higher fee.

What if I lose my licence or need to change my address?

Apply for a duplicate licence or an address change on the Sarathi portal. You can also show a digital copy from DigiLocker or mParivahan while you wait.

Can I add a car class to my two-wheeler licence?

Yes. Another vehicle class can be added by applying on Sarathi (Form 8) and passing the required test. Ask the school to help.

G. Traffic rules and safety

What are the most important safety rules?

Wear a helmet on a two-wheeler and a seat belt in a car, never use a phone while driving, never drive after drinking, obey signals and signs, keep to the left, keep a safe distance, and do not drive if you are tired.

What is the legal alcohol limit for driving?

30 mg of alcohol per 100 ml of blood. The safest rule is not to drive at all after drinking.

What are the three types of road signs?

Mandatory (usually circular with a red border), cautionary (triangular), and informatory (usually rectangular, blue or green). The Traffic Rules guide explains each group.

What should I do after an accident?

Stop, switch on hazard lights, check for injuries, call 112 or 108 if someone is hurt, inform the police, and inform your insurer. A Good Samaritan who helps an accident victim is protected by law.

What are the fines for common offences?

Amounts are given in the Traffic Rules guide as a general reference. Fines can differ from state to state and change from time to time, so check the latest amount with the Traffic Police or the e-challan portal.

H. The app and notifications

How do I log in to the customer app for the first time?

You will get an email with a one-time link to set your password. The link expires in 24 hours. If it expires, ask the office to send a new one. Staff never ask for your password or OTP.

What notifications will I get?

A countdown when your learner licence is entered, a message when your waiting period is complete, test appointment details and reminders, your test result, and a message when your licence details are entered. Email is the main channel, and app notifications are an extra.

What are free and paid batches?

Free batches and practice tests are open to every student. Paid batches have extra lectures, notes and tests. Access starts after the payment is confirmed and lasts for the number of days shown on the batch.

Can I share my login or the paid content?

No. Sharing accounts or copying content is not allowed. Each account is for one student.

I. Privacy and support

Is my Aadhaar safe with the school?

The school stores only the last 4 digits of your Aadhaar for display. Any document image is kept in encrypted private storage, access is limited to authorised staff, and every access is logged. Please do not send your documents on WhatsApp.

Whom do I contact for help or a complaint?

Start with the staff at the office. If it is not resolved, follow the complaint steps in the School Policy. Contact details: phone / WhatsApp 8677097777, email guruzirpe@gmail.com. Address: Dnyaneswar Nagar, near Kamgar Hospital, Wagle Estate, Thane - 400604, Maharashtra.
